1. Safety Principle

Our Safety Guiding Principles outline the meaning of **zero harm** and demonstrate our commitment to driving safety for all employees.

- We value human life and well-being above all else and take action accordingly.
- We believe that all incidents, injuries and work place illnesses are preventable.
- We are personally accountable for our own and collectively responsible for each other's safety.
- By committing to safety first, we advance our goals for quality, cost and schedule.

1 . Health and Safety Policy

SINGH ASSOCIATES is committed to take appropriate measures to protect the Health and Safety of everyone involved in its operations and to provide as a friendly healthy work environment to its employees, suppliers and customers as an integral parts of business performance.

We commit ourselves to achieve this by:

- Establishing & Maintaining a Healthy and Safe working Environment.
- Providing guidance and supervision to employees on occupational health & safety issues for prevention of accidents and cases of work-related ill health.
- Promoting awareness and inculcating safety culture amongst the employees by educating and training to ensure that employees are competent to do their work.
- Strictly complying with all applicable rules and regulations pertaining to health and safety.
- Ensuring all kinds of resources for implementation of health & safety policy.
- Striving for continual improvement through periodical review of Safety & Health management system to ensure its suitability, adequacy and effectiveness.
